MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fiscal Year 2005 Secretary of the Army Environmental Awards Call for Nominations

1. The Secretary of the Army Environmental Awards Program recognizes outstanding environmental stewardship by Army installations, teams and individuals. Nominations are due to the US Army Environmental Center by 14 October 2005. Please see the enclosure for guidance and submittal information. The winners will be announced by mid January 2006.
2. As the Army transforms to meet the challenges of the future, programs must evolve to properly recognize the outstanding efforts to meet those challenges. The Army Strategy for the Environment and the Army Installation Strategic Plan emphasize innovation and accomplishment in sustainable operations, installations, systems and communities. The environmental awards program recognizes nominees that meet the challenge of fulfilling their roles in sustaining their environment, mission and communities.
3. I encourage the Headquarters, Installation Management Agency (IMA), IMA Regions and the major Army command staffs to work closely with installations and activities to ensure their best programs are nominated for consideration. The time taken to put a winning nomination package together will be well spent when they are recognized in front of their Army peers and are selected to represent the Army in competition for the Secretary of Defense awards.
4. The points of contact for this action are Mr. Joseph Ricci, USAEC, DSN 584-1234 or (410) 436-1234, e-mail: Joseph.Ricci@aec.apgea.army.mil and Mr. Bill Sproul, OACSIM, Office Director for Environmental Programs, (703) 601-1563, e-mail: william.sproul@hqda.army.mil. Please provide your organization point of contact to Mr. Ricci upon receipt of this correspondence.
